

NIKHIL MORE

AI-First Demand Generation, Revenue Marketing & Performance Marketing Leader

Pune, Maharashtra, India | +91 915 860 5755 | nikhil.more@live.com | linkedin.com/in/nikhilmore

EXECUTIVE PROFILE

AI-first B2B demand generation, revenue marketing and performance marketing leader with 19+ years of marketing experience and 22+ years of professional experience across B2B consulting, cybersecurity, cloud, technology, mobility and digital businesses. Builds measurable growth systems across paid media, ABM, SEO, lifecycle marketing, marketing automation, attribution, content, CRO, social media and applied AI. Also builds and runs renewal, win-back and cross-sell/upsell email and SMS campaigns for existing customers across marketing automation platforms. Career evidence includes \$55M+ in sales-qualified pipeline, a \$4.79M three-year paid and outbound budget scaled to \$12M in acquisition at 2.1x ROAS, \$2.2M in incremental consulting revenue, and Rs. 5Cr+ (~\$600K) in renewal, retention and cross-sell/upsell revenue at Quick Heal.

SELECTED EXECUTIVE IMPACT

- Built automated demand-generation frameworks that generated \$55M+ in sales-qualified pipeline in 18 months at InspireXT.
- Managed a \$4.79M three-year paid and outbound demand-generation budget at EC-Council; scaled acquisition from \$0 to \$12M at 2.1x ROAS with a sub-18-month payback period.
- Reduced customer acquisition cost 25%, from \$340 to \$255, by improving channel mix, audience targeting and funnel performance.
- Built and ran license-renewal, cart-abandonment recovery and win-back email/SMS campaigns at Quick Heal using HubSpot, Marketo, Zoho Marketing Automation and Salesforce Marketing Cloud, contributing Rs. 5Cr+ (~\$600K) in renewal, retention and cross-sell/upsell revenue.
- Led a 47-account enterprise ABM program using LinkedIn Sales Navigator, Apollo.io and ZoomInfo; converted 20% of C-suite targets into meetings.
- Generated \$2.2M in incremental revenue across eight consulting engagements through paid media, SEO, CRO, lifecycle automation and attribution.
- Led an 8-to-20-person marketing team across India, the United States and the United Kingdom as Chief Marketing Officer at ESDS Software Solution Pvt. Ltd.

PROFESSIONAL EXPERIENCE

InspireXT | Senior Marketing Manager | Sep 2023 – Apr 2026

Supply chain and AI consulting

- Lead global marketing and brand architecture for Supply Chain and AI consulting practices, partnering with sales, consulting and leadership teams to connect marketing activity with pipeline and revenue outcomes, including feedback and cross-sell/upsell campaigns to active clients.
- Built automated demand-generation frameworks that generated \$55M+ in sales-qualified pipeline in 18 months.
- Led a 47-account enterprise ABM program using LinkedIn Sales Navigator, Apollo.io and ZoomInfo; converted 20% of C-suite targets into meetings.
- Drove an 18% year-over-year increase in attributed revenue across key practices and increased brand visibility 45% through content-led storytelling, thought leadership and AI-enabled marketing operations.
- Built feedback, advocacy and cross-sell/upsell campaign motions for active clients, including customer testimonials, white papers, case studies, video testimonials and related marketing artifacts.
- Partner with stakeholders on marketing strategy, campaign planning, executive narratives, demand generation, events, content, website/SEO, paid campaigns and marketing automation.

EC-Council | Senior Manager, Marketing - Performance Marketing | May 2021 - Sep 2023

Cybersecurity education and certification

- Managed a \$4.79M three-year paid and outbound demand-generation budget across multiple campaigns; scaled acquisition from \$0 to \$12M at 2.1x ROAS and a sub-18-month payback period.
- Reduced customer acquisition cost 25%, from \$340 to \$255, by improving channel mix, audience targeting and funnel performance.
- Mapped buyer journeys and led paid media, email marketing, landing-page optimization and A/B testing to improve acquisition efficiency.
- Used programmatic display channels, including DV360 and The Trade Desk, as part of performance and demand-generation activity.
- Built feedback, cross-sell and upsell campaigns for the existing certification-holder base through Marketo and HubSpot workflows.
- Partnered with content, sales and product teams to improve campaign performance and top-of-funnel demand generation.
- Led Quarterly Business Reviews, marketing strategy workshops and client-facing performance discussions from a marketing perspective; participated in business pitches and supported growth opportunities.

Independent Practice | Strategic Marketing Consultant & Growth Advisor | May 2018 - May 2021

Growth advisory and fractional marketing leadership

- Delivered \$2.2M in incremental revenue across eight consulting engagements by building acquisition engines spanning paid media, SEO, conversion optimization, lifecycle automation and marketing attribution.
- Increased qualified lead volume 27% across clients through integrated digital strategies; increased organic visibility by an average of 33% and delivered 2.4x ROAS through programmatic display.
- Led 12 website redesign and optimization projects, improving average conversion rates 18%.
- Managed client relationships from a marketing perspective, led strategy workshops, presented business performance narratives and contributed to business pitches.
- Owned enterprise client feedback and customer-advocacy programs, developing marketing assets such as testimonials, case studies, white papers and video testimonials.

ESDS Software Solution Pvt. Ltd. | Chief Marketing Officer | Mar 2017 - Mar 2018

Cloud infrastructure and data center services

- Directed an 8-to-20-person marketing team across India, the United States and the United Kingdom.
- Led marketing leadership, demand generation and digital growth initiatives across the organization's markets.
- Managed cross-functional teams and agencies across paid media, performance marketing, SEO, design, marketing operations and demand generation.

Prasanna Purple Mobility Solutions Pvt. Ltd. | Head of Digital Marketing | Feb 2016 - Feb 2017

Mobility solutions

- Led the digital marketing function for the mobility solutions business.
- Managed digital marketing activity across acquisition, campaign planning, online visibility and performance improvement.

Quick Heal Technologies Pvt. Ltd. | Manager, Online Marketing | Feb 2011 - Feb 2016

Cybersecurity software

- Drove 1.8x digital revenue growth for two consecutive years through multi-site e-commerce, online marketing, demand generation, renewal marketing and social media activities.
- Increased repeat customer conversions by up to 30.5% year over year through license-renewal, cart-abandonment recovery and win-back email/SMS campaigns built in HubSpot, Marketo, Zoho Marketing Automation and Salesforce Marketing Cloud.
- Built and ran license-renewal, customer lifecycle and win-back programs that contributed Rs. 5Cr+ (~\$600K) in renewal, retention and cross-sell/upsell revenue.
- Trained and managed 100+ interns on CRM processes and customer-feedback/satisfaction tracking for the flagship antivirus product line.
- Improved SEO performance, increasing unique organic users 12.6%, page views 21% and average time on site 39%.
- Supported a digital portfolio where more than 50% of top-line revenue came from multi-site e-commerce, online marketing, demand generation and social media activities.
